The map interface displays a light blue background with a white winding road labeled "Via Contrada Sillemi". A scale bar indicates 100 meters. Navigation controls (directional arrows and zoom in/out) are located in the top left. The "geopoi" logo is in the bottom left. At the bottom, there are sliders for "OPACITÀ" and "ZOOM". A road labeled "Via Contrada Mesina-Catania" is visible in the bottom right corner.
